...Partnership in Office Furniture

ABOUT US.

Fast Choice Limited, was established in the year 2000 with an objective of being among the major office furniture solutions provider in the East African Region. Over the years, we have continuously provided our happy customers with furniture that meets their expectations while remaining very competitive in the market. We have since expanded our operations by starting local production of customized office furniture and institutional furniture to cater for learning institutions which has been running since 2010.

Customer loyalty comes first, thus we are investing in new technologies to ensure that this need is met. We have built strong overseas supply chain relationships which help us get all our orders supplied on time. 60% of our products are mainly sourced from, Malaysia, Korea, Turkey and Germany whereas 40% of our products constitutes of customized items made in our production unit.

ACHIEVEMENTS

Over the years, we have been rated twice at number 29 and 30 among the 100 most successful small and medium enterprises (SME'S) in Kenya through a survey carried out by Nation Media Group and KPMG making us the highest rated office furniture dealer in the country.
